Workshop Circular

Himachal State Museum Shimla announces three days Workshop on “**Stone Tools and Techniques**” at Himachal State Museum, Shimla from **19-21 November, 2024**. This hands-on workshop aims to introduce participants to the fundamentals of stone tool technology, used by our ancient ancestors. Expert instructors will guide participants in creating and using stone tools, exploring various techniques and methods. We welcome museum professionals, academicians, scholars, researchers, and students interested in learning stone tool basics. The workshop will be conducted under the supervision of renowned Lithic Analyst, Archaeologist, and Paleoanthropologist.

1. Individual registration only
2. Registration fee: **₹500 (non-refundable)**
3. Boarding and lodging will be managed by participant themselves.
4. Working lunch and tea will be provided by the organizing institute.
5. Last date for the registration for workshop is **15th November 2024**.
6. Limited seats; first-come, first-served basis.

Registration Guidelines:

1. Submit entries to himachalstatemuseumevents@gmail.com by November 15, 2024.
2. Selected candidates will receive information on fee deposit and further instructions.
